QUALITY

Abtratec employs a multi-layer inspection system to ensure quality throughout the entire manufacturing process. From acceptance of the P.O. to the final inspection of the out-going product, ABRATEC'S employees are empowered to make critical inspection decisions. This enhances the reliability and repeatability of all the parts manufactured. Structured to meet the MIL-I-45208a spec., and with a goal to become ISO certified, ABRATEC is still flexible in meeting specific customer inspection requirements.

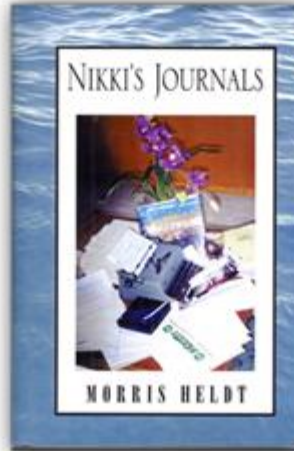

Our state of the art Swiss made Tenoscope 355Hplus for measurement of round and complex parts.

QUALITY, ON TIME DELIVERY, WORLD CLASS CUSTOMER SERVICE AND COMPETITIVE PRICES MAKES US THE RIGHT CHOICE FOR YOUR REQUIREMENTS. THANK YOU.
